

## RENOVATE THE PEDESTRIAN GARAGE BRIDGE, WEST

### SCC PROJECT # FAC 20-03

444 W. Third Street  
Dayton, Ohio 45402

#### **Addendum No. 2**

December 15, 2019

This addendum is a modification of the Contract Documents for this project. It is to be considered in the Proposals and covers additions to or changes in the Contract Documents as follows:

This addendum includes two (2) pages.

#### **A. General:**

1. For clarification, the labor and equipment to install the barrel vault system as provided under specification Section 133413.26 is provided by the General Contractor. The General Contractor will provide appropriate trades, labor and equipment for the demolition and installation of the Barrel Vault system. The extent and timing of the work will be coordinated with the Barrel Vault supplier and included within the submitted bid. The barrel vault supplier will provide on-site assistance and support to guide the installation.
2. The permit (Bld2019c-00379) for this project has been approved by the City of Dayton Building Department and is ready for pickup. The permit fee included with your bid is \$14,001.05. See attached email from the City.

#### **B. Drawings:**

1. Drawing E1.02 - Lighting General Notes - Change note D circuit requirement to (2#8, 1#10G, 3/4"C).
2. Drawing E1.02- Lighting Fixture Schedule - Change Fixture Type A to the following: "Two 3-foot sections (6-foot total length) surface mounted linear fixture. Lithonia CLX-L36-3750LM-SEF-FDL-WD-MVOLT-GZ10-35K-80CRI. Mount to decorative ceiling cover with two CLXANGBKT angle brackets per fixture. Field aim per A/E direction in field. Coordinate installation requirements and details with A/E prior to installation. Do not scale plans for fixture lengths.

#### **C. Specifications:**
